3. Product Description

BASIC USE

C-U-2 is intended for professional use only. It is an alcohol-based liquid cleaner formulated to clean glass or other hard surfaces.

ADVANTAGES

- Easy to use
- Pleasant odor
- Very effective

COVERAGE

Depending on the application, C-U-2 will clean approximately 1500 sq ft/gal (36,8m²/L).

COMPOSITION & PROPERTIES

C-U-2 is an aqueous solution containing isopropyl alcohol, surfactants, fragrances and dyes. C-U-2 contains no ammonia. It is intended for application without dilution. If dilution is desired, use clean water.

TYPES

C-U-2 is available from the factory in one formulation.

SIZES

C-U-2 is sold in 32-fl oz (946ml) HDPE plastic container with a trigger

sprayer and in 1-Gal (3,8L) HDPE plastic container.

4. Technical Data

PHYSICAL PROPERTIES

See table 1

5. Installation

Complete installation specifications and recommendations are available from the manufacturer.

APPLICATION

C-U-2 should be sprayed directly from container upon the surface to be cleaned. The product should be allowed to remain on the surface for a few seconds and then completely wiped away with a clean lint-free cloth or paper towels. For exceptionally dirty surfaces the process can be repeated. C-U-2 can also be used by applying the product directly to a cloth and then wiping the surface clean.

PRECAUTIONS

C-U-2 can safely be used on glass and most hard coated surfaces. If there is any possibility C-U-2 could harm or discolor a surface, it is recommended that compatibility be tested in an inconspicuous area before use. C-U-2 should only be used by qualified professionals who have read and understood this information. Before using any chemical, read its label and Material Safety Data Sheet (MSDS).

CLEAN UP

If spilled, C-U-2 should be cleaned up using an absorbent cloth or sponge.

6. Availability & Cost

AVAILABILITY

C-U-2 is available through recognized Wood Kote retailers or directly from the manufacturer. A list of stocking dealers is available from the manufacturer and can be found on the manufacturer's web site.

COST

Cost information is available from recognized Wood Kote retailers or from the manufacturer.

7. Warranty

C-U-2 is sold without warranty except that Wood Kote guarantees that the product is manufactured within the specifications provided herein. Unless Wood Kote warranties, in writing, specific products on an identified project, Wood Kote's liability is limited to the replacement cost of the product. The information provided herein is accurate to the best of Wood Kote's knowledge or obtained by Wood Kote from sources believed by Wood Kote to be accurate. Wood Kote Products Inc does not assume any legal responsibility for use or reliance upon this information.

8. Maintenance

STORAGE

Keep in the original containers tightly closed when not in use and stored away from direct light at temperatures between 0-110°F (-17,7-43°C).

C-U-2

SP

CLEANING & REPAIR

C-U-2 is a maintenance product, and therefore, cannot be directly cleaned or repaired. It can be re-applied as often as required.

SHELF LIFE

C-U-2 should retain its effectiveness for at least 5 years under recommended storage conditions.

DISPOSAL

Dispose of only in accordance with local, state and federal regulations.

9. Technical Services

Additional information is available directly from the manufacturer and from the manufacturer's web site.
